

## ENVIRONMENTAL POLICY STATEMENT

### *Introduction*

1. Henry W. Pollard & Sons Ltd is a general building contractor working mainly in the health, education and commercial markets with an approximate turnover of £19m.
2. We recognise that our activities have an impact on the environment and we are committed to minimise that impact through seeking continually to improve our environmental performance.

### *Environmental Policy*

3. The company will put its environmental policy into practice by pursuing the following objectives. We will:
  - Meet all the relevant legislation, regulations, government guidance and industry codes of practice on environmental issues.
  - Recognise and work within our client's environmental policy guidelines.
  - Ensure that all our staff have a good understanding of the environmental impacts of our business and what they are expected to do to minimise these impacts as advised in the following procedure document.
  - Make efficient use of natural resources by minimising waste and recycling materials wherever possible.
  - Keep transport use to a minimum and service vehicles regularly to maintain their efficiency.
  - Keep sites clean and tidy to ensure minimum disturbance and disruption to clients and their neighbours.
  - Ensure that our suppliers are aware of this policy and encourage them to apply similar environmental standards to their own work.
  - Wherever possible obtain materials from sustainable sources.
  - Implement Site Waste Management Plans where legislation requires.
